Châtelaine

Not much new to report – we were gone for pretty much two weeks, so no social was held till we came back. We had one newcomer come to a rapier practice who is not only interested in pursuing rapier, but also getting involved in other shire activities. We are very excited as he seems very much into learning about all the SCA has to offer.

Socials are now being held every Sunday after archery (when there is archery) so that we can participate in that and allow for other people to do so as well without it interfering. Only one person came to the last social and 5 or so to the one before that.

Gold Key

Some new donations to Gold Key, all from Celeste – one small tunic and three pairs of pants. They are being mended and washed in preparation for Mabon Althing.

Ysabelle mentioned that she had some fabric to donate. After it was described, it was decided that it should go to A&S. Siban suggested that it might be appropriate for sashes for officers

MOS

All practices running on the regular days

Archery practices getting better attendance. Now have sent in Royal round scores for 6 archers.

(Markus is currently the only one with an average ie 3 scores submitted
