Business arising from Minutes: Last month to be resubmitted

Officer reports:

- 1) Herald (Gord): No news, submission wise. Going to THUA, taking Heraldry Courses.
- 2) MOS (Tyler): No injuries. Tyler now a Junior armoured marshal.
- 3) MOAS (Maggie): Pottery Class: Talk to Scott or Denise to sign up. Multiple classes if needed.
- 4) Exchequer (Tim M.):
- 5) Seneschal (Marlowe): Chris stepping up as deputy Seneschal.
- 6) Chatelaine (Denise F.): Nothing new.

Old Business:

- 1) THUA – In Borealis, same weekend as Thanksgiving.
- 2) Request tendered for donation to Travel Fund. Gord motioned for \$50 donated, Paul seconded, all approved.
- 3) No other changes to old business, all other struck from minutes.

New Business:

- 1) THE PRESS: There has been some talk lately about how to handle media at events & demos. As it stands we are not to invite local media to any of our private events. In some areas this would negate our insurance. Should the media show up unexpected the chatelaine or seneschal will escort them around. The officer must then contact the Kingdom Media Deputy right away with details. Info in the Crier or on the An Tir Website. When it comes to demos where you would like the publicity you are asked to first contact Kingdom Media Deputy, who will provide you with details on how to proceed and a press kit. In addition – in the media contacts you or the chatelaine, contact the Kingdom Media Deputy right away.
- 2) Our Event: 178.27 profit, deposit has yet to be returned. A family cap needs to be put in to place for future events. Also have to look in to ways that Archery can be held at our events. Play more of the game.
- 3) Event for next year: Scott and Denise Fix volunteered as Autocrats. Viking Themed – stories, music, etc. Mark N. to feastocrat. All approved.
- 4) Campsite for Coronet – Emerson Bridge, Tillebrook, near Walsh, or Golden Sheaf? Group decided to avoice provincial parks, if possible. Talk to Keri-Anne or Gord for other campsites.
- 5) Absorbing Brooks postal codes into Rhuddglyn? Official letter must be written up.
- 6) Memberships: What does the group think of going ‘pay to play’? Most are against, though agree champions, officers, and those entering competitions should be members. Any comments or questions should be directed to Keri-Anne. Memberships are a huge part of this game. The more members we have, the more the game grows.
- 7) War Practice: Discussion took place to find options as to what to do with War Practice? Run as a THUA, or as a full second Rhuddglyn event? As a THUA teachers would have to be found, classes organized.. As a secondary event it has run well. Paul motioned to keep War Practice as it is, seconded by Gary. All approved.

Meeting Closed 8:00 pm
