Translation –

Greetings unto Your Excellencies, Raoul and Roxanne Delaroche, Baron and Baroness of Myrgan Wood and unto the Barony populace from Lady Manyra Thorinsdottir and His Lordship Emeric of Pevesey and friends,

In a small corner of this fair Kingdom of An Tir, a group has gathered to live and enjoy the ideals of the Current Middle Ages. A group full of talent and ambition, we hope to grow to full status under the proposed name of the Shire of Rhuddglyn. Alas, we cannot do this alone. Thus, in this missive, we humbly ask the assistance and sponsorship of the good people of Myrgan Wood. In return, we promise to uphold the good reputation your barony enjoys and serve to help whenever possible. It would be an honour if you would consent to support us in this endeavour.

In service and awaiting your answer,

Signed by Lady Manyra & HL Emeric of Pevensey
